The Ameritas Participating Provider Organization (PPO) is a cost-effective network of qualified dentists who provide dental services at a discounted fee.

While plan members always have the right to receive care from any dentist they choose, out-of-pocket costs will almost always be lower when choosing an in-network provider. Selecting a network provider may also have a positive impact on your deductible and coinsurance.

**Even with daily updates to the online directory, we can't guarantee that a provider will be contracted at the time dental services are performed. When choosing a provider, please call our Customer Connections department at 800-487-5553 to verify the provider's participation. We encourage you to confirm participation with your provider at the time of your appointment.**

If you have questions about a claim or your plan benefits, please call the toll-free number on the back of your identification card.

Ameritas has an arrangement with AmexUS Mexico, which contracts directly with dental providers outside of the US. These dental providers are not credentialed by Ameritas and are subject to the credentialing requirements of AmexUS Mexico.

Ameritas, the bison design and fulfilling life are registered service marks of Ameritas Life Insurance Company or Ameritas Mutual Holding Company. ©2024 Ameritas Mutual Holding Company.

## Disclaimer Information

If you have a disability and require use of a Telecommunications Device for the Deaf (TDD), please dial 7-1-1.

Although we update provider information daily, this directory is subject to change without notice. Please verify that your provider participates in the network.

Provider data inaccuracies can be reported online by clicking on the provider's name and selecting the report inaccuracies link.

**DISCLAIMER:** You are strongly encouraged to verify with the provider whether he or she is participating or nonparticipating. Such information may assist in your selection of provider(s) and may affect your deductible, co-insurance, and out of pocket expenses. Even with daily updates to the on-line directory, there is no guarantee that a provider listed in the directory will still be a network provider at the time dental services are performed. When making an appointment, and again at the time of the appointment, please verify network participation with the dentist. This PDF directory was produced from dentalnetwork.ameritas.com.

Should you have questions regarding the provider directory or benefits, please contact Customer Connections at 800-487-5553.

Ameritas has an arrangement with AmexUS Mexico, which contracts directly with dental providers outside of the US. These dental providers are not credentialed by Ameritas and are subject to the credentialing requirements of AmexUS Mexico.

**Unauthorized Use Prohibited:** You may not download or reproduce this directory in any form, in whole or in part, for any use other than finding dental care providers for current or prospective users of the network. We reserve the right to take legal action against unauthorized use.

In the event a covered person believes the relied upon directory is inaccurate, incomplete, or misleading, a complaint may be submitted by calling 800-755-8844, or emailing [dir\\_providerrelations@ameritas.com](mailto:dir_providerrelations@ameritas.com).
